Dear Ms. Dortch:

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

RE: MM Docket No. 98-204 (Broadcast/Cable EEO)

Pursuant to 47 CFR §1.1206, this will disclose that in connection with these permit-but-disclose proceedings, on behalf of the Diversity and Competition Supporters, MMTC held a meeting March 4, 2003 at 4:30 PM with Commissioner Martin and his Legal Advisor, Catherine C. Bohigian. MMTC was represented by Eduardo Peña, Esq., communications counsel for the League of United Latin American Citizens, and myself.

At the meeting, we provided copies of our "Petition for Clarification, or in the Alternative, Petition for Reconsideration" and all subsequent EEO Supporters pleadings on reconsideration, as well as our Comments in response to the Third NPRM (Parttimers). We briefly addressed one of the points raised on reconsideration: the potential usefulness of statistical evidence of discrimination by an industry in the aggregate.

An original and two copies of this letter are being filed with the Secretary.

Sincerely,

David Honig
Executive Director
